

U. S. PTO Customer No. 25280

Case #3046A

REMARKS

Claims 1-40 were pending in the application. Claims 1-32 have been canceled without prejudice. Claim 37 has been amended. No claims have been added. Thus, claims 33-40 remain subject to continued examination. Each of these claims is believed to be in condition for allowance. Accordingly, an action to that effect is requested at this time.

The Office Action indicates that claims 33-40 are allowable. Claim 37 has been amended in what is intended to be a non-limiting manner to more clearly recite the inventive subject matter as identified by the Office Action.

In light of the cancellation of claims 1-32, it is believed that all outstanding rejections have been obviated.

CONCLUSION:

Applicants respectfully submit that all claims stand in condition for allowance at this time. While an attempt has been made to address all outstanding issues, to any extent that one or more issues remain, the undersigned respectfully requests a telephone conference to resolve such issues.
